Heard But Not Seen

March 7, 2010

Have you ever considered how different the true and living God is from the pagan deities spoken of in the Bible? The Pagan gods were seen but never heard, but the one and only true God is heard but not seen. I believe that acknowledging this difference will help us in times of trouble.

You see, how many times do people ask the question, "Where's God?" especially when they are suffering. I would suggest that this is the wrong question. The better question would be to ask, "What has God said?" And when we ask that question, we'll find comfort and understanding. What comfort and understanding can come from a god who can be seen, but cannot speak to us? Oh, how those pagan deities stand in stark contrast with the God of Heaven!

Next time you're tempted to ask, "Where's God?" remember that's not how God has chosen to reveal Himself. Instead, ask "What has God said?" and it's in His Word that you will find comfort and understanding. Give it some thought.
